\* ACTFA is honored to be hosting the Australian National Fencing Championships in 2016. It gives all ACT Fencers a chance to see the country's best performing right in our own backyard – an opportunity that would otherwise require airfares and accommodation for an entire week. To make this event a success, though, we need the support of every member of the ACT Fencing Community. A great way to be involved is to volunteer during the competition week. We have a range of jobs, from those requiring active bodies to sharp minds, which need to be filled on the day. Volunteers will get a Volunteer Shirt, refreshments and all training provided. This is a wonderful opportunity to experience the highest level competition Australia has to offer in a supportive, local environment. If you are interested in being part of this, **please fill in and return the form above directly to your club delegate, or send to [secretary@actfa.org.au](mailto:secretary@actfa.org.au).**
