

Coaches

align with AFF pathways for coaches	New re-accreditation process
conduct coaching courses for a range of levels	Coach training available at HPP camps
Make coaching accreditation more accessible by running targeted clinics that are put on the calendar at the beginning of the year	
Work with senior high-level coaches to run Fencing 'camps' which will count towards their re-accreditation	Coaches attending fencer training camps can count these
Set up a 'Coaching Club' for fencers that want one-on-one intensive training	
Enable coaches to travel with our fencers to competitions outside Canberra	

Officials

Align with AFF pathways for officials	Pathway incomplete
Conduct refereeing courses for a range of levels	Intro level training conducted at 3 clubs
Provide one club-level and one state-level training day in 2017	Club level course cancelled State level course not available

Administration

Communicate with interstate & local fencers	Facebook, website, emails, delegates
Grow administrator pathways	
run regular courses for competition managers, first aid and armourers to ensure consistent, safe, quality performance	
Increase and broaden the volunteer administrative support by involving parents in sub committees and special projects	
Employ a part-time administrator to assist with the management of our growing sport.	Enquiries were made, but nothing eventuated
Develop annual operational plan	Done each year for Gov funding
Maintain good practice & conform to ACT Government guidelines	
Continue to support our State Coaching and Officiating Directors, working closely with the AFF	ACTFA contributes financially and gives access to resources
Continue to actively engage with Club Delegates	Committee meetings are an opportunity for delegates to raise issues for and give feedback from members
Undertake regular committee meetings	Usually monthly
Let go of the UC office space	Everything moved to TAC storage
Continue to use standard accounting software package for our accounts, and regularised payment systems for the collection of all fees	Xero & RegisterNow

Fencers

Grow athlete pathways	Master classes and camps
Increase representative fencers & achieve more medals (national & international)	Representation and results are improving
Program focussed on juniors	
Maintain the ACT Fencing Ranking System to identify the best fencers based on competition results and participation	Ranking system maintained after each competition and on notification of results achieved elsewhere
Recognise our top fencers (across all age levels, genders) at the end of the competition year with the presentation of champion trophies	New style of trophies for individuals and clubs
Continue to grow the ACT High Performance Squad, increasing its size and success, promoting more ACT fencers into the Australian Fencing Squad and Team	
Provide financial support and Team Managers to enter ACT Teams into non-ACT State and National level competitions	
Continue with ACT training camps with the State Coaching Director to develop a growing band of competition-ready fencers	Pre-Nationals training day held & coaches approached to run similar camps in 2018 before each AFC event
Provide access for our high performing fencer to the National-level Training camps hosted at the AIS, which are held 4 times a year	Arrangements continue for ACT fencers to attend with discounted fees
Support the Australian Fencing Federation to hold national training camps in Canberra, bringing top fencers from across Australia to train with ACT athletes	ACTFA provides scoring equipment

Competitions

Maintain healthy local circuit	Local entry numbers have dropped
Expand the School-based Fencing competition	
Host Tri-State under age (under 11, 13 and 15) Friendship Cup	Entry numbers lower, especially local
Run State level competitions across all weapons, for all age-groups, genders, including novice level events	Entry numbers lower
Support Regional fencing activities (like the Riverina Cup in Wagga Wagga)	Equipment and organisational assistance provided
Host the 2017 Australian National Fencing Championships at the AIS Arena	Hosted
Host National & International competition	
Build capability to host International level competitions in Canberra	Hosting of Commonwealth Championships 2018 confirmed

Promotion

Develop and maintain regular presence in the media	
contribute to & utilise the national-wide marketing campaign of the AFF	
Retain people in the sport & increase memberships	
Engage sponsors	
Participate in sporting gala days	
Working with the AFF Development Officer to promote the sport of Fencing in the ACT	
organise public and private (workplace) fencing demonstration to promote participation	

Clubs

Encourage and support Clubs by providing equipment, resources and assist in accessing venues	Equipment available for clubs to hire, events and club information on ACTFA website & Facebook page
Support Clubs to run 'Come-and-try' and Beginner events	Resources available

Equipment

Equipment – review and maintain	Annual stocktake, numbering system
Build and maintain our equipment assets to support clubs, National Camps and National-level competitions	Replenishment of old/broken equipment, purchase of extras
Continue to host our Equipment Hub at the Tuggeranong Archery Centre	Storage cage needs regular tidying

Funding

Seek Capital funding grants to replace aging and used equipment and build capacity to host International level competitions in Canberra	Government annual grant
Obtain medium Sporting organisation status
