

# Southern Highland Fencing Academy

## Competition Details

Fencers will be grouped into pools, Pools will be run as per normal competition format.

Bouts will be 3 minutes long or first to 5 points. If at the end of 3 minutes the scores are even, priority will be decided with a toss of a coin, golden point will run for 1 minute. There will be **No direct eliminations and No individual winners.**

Each fencer's point scores will be tallied at the end of pools. Each fencer then will be ranked and each ranking will be worth "x" amount of points e.g if there is 12 fencers in the pool, ranking 1 = 12 points, 2 = 11, 3 = 10 and so on. Points are then tallied up for each club and divided by the number of fencers from each club to give an average club score. The club with the best average score will win the
