Fencing

Maison Escrime is a community fencing club based on Canberra's north side. The club specialises in *épée*, the dueling weapon, and takes a traditional, structured approach to the sport of fencing.

Our next beginner's course runs over six weeks from the 20th of August to the 24th of September 2014. The course includes a brief history of fencing and the three Olympic weapons, fundamentals of the *épée* guard, footwork, essential bladework and structured bouts. The course will be taught by former Commonwealth champion Nigel Nutt.

Equipment hire for use in class is included in the course fee.
